Integrated Energy Plan & Integrated Resource Plan Public Consultations

The Department of Energy wishes to invite all interested stakeholders to the Integrated Energy Plan (IEP) Report and the Integrated Resource Plan (IRP) Assumptions and Base Case Public Consultations. The aim of the workshops is for the public to give input that will guide future energy infrastructure plans for the period up to 2050 and therefore shape the future energy landscape of the country. The draft documents can be accessed on the following links: http://www.energy.gov.za/files/iep_2016.html and <http://www.energy.gov.za/IRP/irp-2016.html>

Consultation workshops will take place as follows:
