

NATIONAL ASSEMBLY QUESTION 1567

Mr P Dexter (Cope) to ask the Minister of Energy:

How many solar water heaters (SWH) have been installed since October 2010, as part of the Government's one million SWH roll-out by 2014? NW1735E

REPLY

For the period 01 October 2010 to 31 May 2011, **78 669** solar water heaters (SWHs) were installed as part of the Government's one million SWH roll-out by the end of the 2014/15 financial year.
