

NATIONAL ASSEMBLY QUESTION 2654

Mr P D Dexter (Cope) to ask the Minister of Energy:

Whether the Government has the capacity to deal with the proposed 3 725 megawatts that has been allocated to renewable energy sources which will be fed into the national grid in 2014; if not, why not; if so, what are the relevant details? NW3107E

REPLY

Yes, Government departments already work together to deal with the various aspects of the IPP procurement process. In addition, transaction advisors have been appointed to augment our capacity to deal with the programme.
