

NATIONAL ASSEMBLY QUESTION 1177

Dr. C.P. Mulder (FF Plus) to ask the Minister of Energy:

1. What is the tariff per kilowatt-hour at which (a) Zimbabwe, (b) Botswana, (c) Swaziland, (d) Lesotho, (e) Namibia and (f) Mozambique currently purchase electricity from South Africa;
2. (a) since what date have these countries been paying the currently tariffs and (b) when will the next increase in the tariff at which electricity is purchased by these countries come into force;
3. Why (a) has the rate at which these countries are purchasing their electricity been set at this tariff and (b) does it differ from the tariff being paid by South African families? NW1311E

Reply

The Department of Energy received the question, reviewed its contents against its mandate and has determined that the most appropriate respondent should be the Department of Public Enterprises.
