Mr. P van Dalen (DA) to ask the Minister of Energy:

Whether, with reference to her reply to question 1098 on 2 August 2011, and the recent ruling by the Gauteng South High Court in favour of disclosing information on Eskom's secret pricing deals with the global mining giant BHP Billiton, she will now disclose Eskom's pricing structure for foreign sales of electricity; if not, why not; if so, what are the relevant details with regard to (a) the country, (b) the entity to which electricity is supplied and (c) the pricing structure applicable in each case? The Department of Energy received the question, reviewed its contents against its mandate and has determined that the most appropriate respondent should be the Department of Public Enterprises.
