

**MINISTRY OF ENERGY  
REPUBLIC OF SOUTH AFRICA**

**NATIONAL ASSEMBLY QUESTION 1378**

**Mrs N W A Michael (DA) to ask the Minister of Energy:**

- 1) Whether adequate stock levels of electricity meters are kept countrywide; if not, why not; if so, what are the current stock levels in each province;
- 2) What is the average (a) life span of an electricity meter and (b) processing time for an application to have a new electricity meter installed? NW1627E

**Reply**

The Department of Energy received the question, reviewed its contents against its mandate and has determined that that most appropriate respondent should be the Department of Cooperative Governance and Traditional Affairs.
