

1807. Mr L W Greyling (ID) to ask the Minister of Energy:

- (1) Whether highly enriched uranium (HEU) is currently being stored at Pelindaba; if not, why not; if so, (a) how much and (b) what is it being used for;
- (2) whether Pelindaba obtained authorisation from the National Nuclear Regulator to store highly enriched uranium (HEU) on site; if not, why not; if so, what are the relevant details?      NW2199E

**Reply:**

Details regarding the uranium stockpiles is classified and therefore cannot be disclosed publicly.
