

508. Mr H B Groenewald (DA-NW) to ask the Minister of Energy:

Whether the project manager of the (a) Medupi and (b) Kasib Power Stations is registered in compliance with the regulations of the Project and Construction Management Professions Act, Act 48 of 2000; if not, what is the position in this regard; if so, what are the relevant details in respect of the registration documents in each case? CW638E

Reply

There is no requirement for the two project executives to be registered with the Project and Construction Management Professions Act, Act 48 of 2000, and they are not registered as such.
