

MINISTRY OF ENERGY
REPUBLIC OF SOUTH AFRICA

National Assembly: 3135

3135. Mr L W Greyling (ID) to ask the Minister of Energy:

- (1) Whether his department received any funds for the Expanded Public Works Programme in the (a) 2010-11, (b) 2011-12 and (c) 2012-13 financial years;
- (2) whether any of these funds were earmarked for (a) capital or (b) infrastructure-related projects; if so, (i) what are the names of these projects, (ii) where are these projects situated, (iii) what is the value of each project and (iv) how many jobs have been created by each project
- (3) in each case, what process was followed to appoint project (a) implementers and (b) consultants;
- (4) in each case, were funds transferred to project implementers (a) in a lump sum or (b) through progress payment;
- (5) whether any projects have been impeded due to maladministration or corruption; if so, (a) which projects have been affected and (b) what action has been taken in each case? **NW3693E**

Reply:

The Department of Energy did not receive funding for Expanding Public Works Programme.
