**National Assembly Question : 1928**

**1928. Mr G Mackay (DA) to ask the Minister of Energy:**

With regard to her department's estimates of national expenditure published alongside the current budget, why did her department not make financial provision for forthcoming nuclear procurement decisions?      NW2310E

**Reply:**

The Department could not make financial provision for the forthcoming nuclear procurement decisions because it still had to review the nuclear policy, develop a funding mechanism and take strategic decisions regarding the nuclear build programme.
