**Memorandum from the Parliamentary Office**

**National Assembly Question : 207**

**Ms E N Louw (EFF) to ask the Minister of Energy:**

Whether in view of the short- and medium-term troubles of energy supply in the country, he has put any measure in place to ensure that the power station plants are operating at their optimum capacity in light of the deterioration of Eskom power stations as a result of poor maintenance over a period of time; if not, why not; if so, what (a) implications does this have for the economy and (b) are the further relevant details? NO1688E

**Reply:**

Eskom reports to the Department of Public Enterprises.
