Memorandum from the Parliamentary Office

National Assembly Question : 138

Mr L W Greyling (DA) to ask the Minister of Energy:

(a) What model of procurement will be used by her department for the proposed Nuclear Build Program and (b) what are the details of this model? NW144E

Reply:

- (a) The procurement model that will be used for the Nuclear Build Program has not been determined. The department is currently engaged in the pre-procurement phase including investigating the various procurement models that will be submitted for approval by Cabinet.
- (b) The details of the procurement models will be revealed after it has been approved by Cabinet
