Memorandum from the Parliamentary Office

National Assembly Question : 1894

Mr P van Dalen (DA) to ask the Minister of Energy:

Since 1 January 2015, has her department installed generators at any of (a) its offices or (b) the offices of the entities reporting to her as a result of load shedding; if so, what is the total cost of the (i) installation and (ii) running of these generators? NW2115E

Reply:

(a) The Department of Energy has not installed any generators in any of its offices since January 2015. Offices are located in buildings leased by the Department of Public Works and therefore generators form part of tenant installations of the respective buildings. No costs have been incurred by the Department.

SOE	(a)	(b)	(i)	(ii)
NNR	The NNR did not install any generators since 1 January 2015			
NERSA	No generators were installed at NERSA since 1 January 2015..			
NECSA	No generators were installed at Necsa since 1 January 2015.			
SANEDI		The building has a		There are no additional

		generator that takes effect when there is load shedding. There are no additional charges for use of the generator.		charges for use of the generator.
CEF	No generators were installed at CEF since 1 January 2015			
NRWDI		No office blocks for NRWDI. Sharing offices with NECSA
