Memorandum from the Parliamentary Office

National Assembly Question : 2573

2573. Mr E J Marais (DA) to ask the Minister of Energy:

Is her department considering to source electricity from energy ships and power barges run by the company Karpower; if not, why not; if so, when can the citizens expect to have these ships producing electricity on our shores? NW2947E

Reply

Yes, we have issued a Request for Information in relation to any initiative to relieve the grid constraints, including through power barges. The Request for Information results have been collated and the procurement process will follow within the next 2 months.
