Memorandum from the Parliamentary Office

1951. Mr P van Dalen (DA) to ask the Minister of Energy:

Whether, with reference to her reply to question 1692 on 2 September 2016, she has received the legal opinion of the Office of the State Law Advisor on her department's notice of exemption from licensing of Small-Scale Embedded Generation; if not, by when is the specified legal opinion expected; if so, by when will the rules for the specified generation be gazetted? NW2262E

Reply

No, we have not yet received the legal opinion from the Office of the State Law Advisor. The turnaround time is estimated to be approximately 30 days and we therefore expect a response during the month of October 2016. The notice will then be gazetted for public comment.
