26. Mr C F B Smit (Limpopo: DA) to ask the Minister of Energy:

(a) What are the current biggest threats for the Eskom grid in respect of (i) structural capacity, (ii) power stability against fluctuations, (iii) access to link renewable energy projects, (iv) maintenance, (v) budget for maintenance, (vi) outstanding debt and (vii) categories of clients and (b) what are the reasons for the threats? CW26E

Reply:

The Department has received the question, reviewed its contents against its mandate and has determined that the most appropriate respondent should be Eskom through the Department of Public Enterprises.
