- Political Will
- Mining Charter
- COVID-19
- “Ourselves”
 - Greed
 - Thuggery

Conclusion

There is an opportunity for Junior Miners to play a meaningful role in the mining industry.

The blue chip mining houses have the responsibility to lift them up, in investing in their own future.

“The illiterate of the future is not the one who can’t read or write, but the one who cannot learn, unlearn and relearn” -Adler
