ENERGY MINISTER, DIPUO PETERS TO ADDRESS THE VOPAK REATILE GROUP PARTNERSHIP FUNCTION

Minister Peters will deliver a key note address at the VOPAK REATILE group partnership function at the Sheraton hotel, Pretoria on 11 July 2012 from 13h00 to 16h00. The purpose of this event is to celebrate the signing of the partnership agreement between VOPAK and REATILE in the presence of the honourable minister of energy, Ms. Dipuo Peters MP.

Vopak – with its headquarters in Rotterdam, the Netherlands – is the world's largest tank storage service provider, specializing in the storage and handling of liquid and gaseous chemical and oil products. In South Africa, Vopak has one terminal in Durban and the projects that Vopak South Africa is developing in Durban, Richards Bay and Lesedi will also be explained at this function, including amongst others their economic benefit to the country.

Members of the media are invited to attend and cover this event.
