Department:
Energy
REPUBLIC OF SOUTH AFRICA

Date: 01 November 2016

MEDIA INVITATION

Minister of Energy, Ms Tina Joemat-Pettersson, will engage with elderly women of Gugulethu on the 02nd December 2016 in Western Cape. During this period of 16 days of activism, this engagement aims to share the department's energy efficiency plan with women who are amongst the most vulnerable groups in society, for whom electrification creates a safe environment. The Department will also take this opportunity to inform the elderly about the IEP and IRP.

These elderly citizens make a difference in their communities socially, politically and economically. Empowerment and recognition of Women in South Africa is an important initiative as it ensures effective implementation of the new Sustainable Development Goals, especially goal number four (4) - Ensuring gender equality and empowerment of all women and girls.

Minister Tina Joemat-Pettersson invites members of the media to attend and cover this engagement that is scheduled as follows:

Date: Friday, 02 December 2016
Time: 10:30 for 11:00
Venue: Gugulethu Indoor Sport Centre in Cape Town

Issued by the Department of Energy
