## MEDIA INVITATION

### SCHOOLS ENERGY DAY

The Minister of Energy, Ms Tina Joemat-Pettersson, will lead the School Energy Day programme which is due to be held in De Aar on Thursday, 20 October 2016. The Schools Energy Day programme of the Department of Energy is established with the sole purpose of interacting with youth to create better understanding of energy as a day-day user resource and an economic driver.

The energy day targets learners in Grades 10 – 11 and encourages them to study mathematics and science. The Energy Day serves as an opportunity for the DoE to engage and educate learners about the various forms of energy sources and how they contribute towards economic development.

The Minister of Energy, Ms Tina Joemat-Pettersson, will deliver the keynote address at this important event.
