MEDIA ADVISORY INVITATION TO THE LEARNERS FOCUS WEEK

The Department of Energy will host the Learners Focus Week in Energy from 9-14 July 2017, at Sol Plaatje University, Kimberley, Northern Cape. The Learners Focus Week Programme is aimed at promoting skills development amongst the youth, by creating awareness and exposure of career opportunities within the energy sector for Grade 10-12 learners studying STEM subjects. The 1-week programme is dedicated to addressing shortage of technical skills in the sector that requires on-going intervention by the government and it's stakeholders, to promote skills development amongst the youth.

The DoE will undertake this programme in partnership with the Northern Cape Provincial Government and Energy Sector organisations.)

Members of the media are kindly invited to attend this week long programme as follows:
