## MEDIA ADVISORY

### BRICS Youth Energy Roundtable Discussion and a Guided tour of UWC's PetroSA Synthetic Fuels Research Centre

The Department of Energy cordially invites members of the media to the BRICS Youth Energy Roundtable Discussion and to a Guided tour of UWC's PetroSA Synthetic Fuels Research Centre, under the Theme: *"Promoting an affordable and sustainable energy mix in support of radical socio-economic transformation."*

The round table discussion and the guided tour forms part of the Brics technical meeting that is scheduled to take place from 17 – 18 May 2018 in Cape Town. The objective of the round table is to get students to discuss and make contributions on Energy Saving and Energy Efficiency by BRICS countries, including discussions on Energy Efficiency Collaboration Projects and Establishment of Energy Saving and Energy Efficiency Technology Database.

This platform will also be used to create awareness on career development and economic development opportunities available within the energy sector. The Department of Energy (DoE) recognizes that there is a need to educate students and other stakeholders on Energy as a driver and developer of the economy.

#### The Lecture is scheduled as follows:

Date : Friday, 18 May 2018  
Time : 11:00 – 14:00  
Venue : Life Sciences Building Auditorium at University of Western Cape, Western Cape Province
