MINISTER RADEBE TO DELIVER KEYNOTE ADDRESS AT THE LAUNCH OF BEPA

The Minister of energy Jeff Radebe will deliver the keynote address at the launch of Black Energy Professionals Association (“BEPA”)

BEPA comprises of black professionals who plough their trade across the energy industry. It has been formed with the intention of enabling widespread transformation within the Industry, with the belief that for effective transformation to take place both business and professionals within the industry must speak with one voice. BEPA continues to grow from planning to execution.

Event details are as follows:

Date: 12 April 2018

Time: 17h30 - 21h00

Venue: The Forum at the Campus, Sloane Street, Bryanston
