MINISTER RADEBE TO HOST ENERGY SECTOR STAKEHOLDER ENGAGEMENT

The Minister of Energy, Jeff Radebe will host an Energy Sector Stakeholder Engagement on Friday, 01 June 2018, under the Theme: *“Working together towards an Economically Transformed and Sustainable Energy Sector.”*

The objective of the engagement is to provide a platform for all key stakeholders to participate, raise issues of importance and concerns that affect the sector as well as to contribute ideas to resolve energy challenges and unlock growth and transformation in the sector.

The energy sector will be motivated to reignite passion in the sector so that they can recommit themselves to the values and principles of Nelson Mandela and Albertina Sisulu.

The engagement is scheduled as follows:

Date : Friday, 01 June 2018
Time : 08h00 – 13h00
Venue : Gallagher Convention Centre, Midrand, Gauteng
