MINISTER RADEBE TO DELIVER KEYNOTE ADDRESS AT AFRICAN UTILITY WEEK AND POWERGEN AFRICA- CAPE TOWN

South Africa's Minister of Energy, Jeff Radebe, MP will deliver the opening keynote address at the African Utility week and POWERGEN AFRICA- conference and exhibition scheduled to take place in Cape Town International Convention Centre (CTICC) from the 14th to 16th May 2019 in partnership with the SA Ministry of Energy.

The African Utility Week and POWERGEN Africa is the flagship energy event organised by Spintelligent, a multi-award-winning Cape Town-based exhibition and conference producer across the continent in the energy, infrastructure, mining and agriculture sectors.

More than 10 000 energy and water professionals from across Africa and the world are expected to gather in the Mother City to deliberate on the biggest challenges that South Africa is having with its current energy supply. The potential of renewable energy sources such as solar, storage solutions and mini-grid generation projects are just some of the focus areas at this year's event.

The event details are as follows:

Date: Conference and expo: 14-16 May 2019

Location: CTICC, Cape Town, South Africa, Hall 7

Minister Radebe to participate as follows:

14th May 2019, 10h00: Opening keynote address

15th May 2019, 19h00: Address at the Africa Utility Week Industry Awards Gala Dinner
