

MEDIA INVITATION

To : All media
Date : 17 April 2023

POWERING ALTERNATIVE MOBILITY INDABA

Government and the automotive industry will host the Powering Africa Mobility Indaba that seeks to ensure a just transition to e-mobility, which would increase job creation, from 19 to 20 April 2023 at the Durban International Convention Centre.

The two-day Indaba is convened under the theme: *“Innovative Technologies Enabling South Africa Towards Realising Sustainable Development,”* and will feature electric vehicles (EV) exhibitions, panel discussions on transitioning from fuel to electricity, research and innovation in new energy vehicles and the future of combustible engine vehicles among others.

Developing electric cars (EVs) makes e-mobility efficient and enhances people’s quality of life. The rise of EVs puts battery technologies at the core of sustainable developments and obtains support through the electrification of urban public transport.

Members of the media are invited to cover the Indaba as per the details below:

Date: 19 – 20 April 2023
Time: 09:00
Venue: Durban International Convention Centre

To RSVP, contact:

Ernest Mulibana on 082 263 7372 / Ernest.Mulibana@dmre.gov.za
Thabang Setlhare on 072 659 9690 / Thabang.Setlhare@dst.gov.za
