

Eskom, municipalities to get R980m boost for energy management programmes

Finance Minister, Pravin Gordhan has made R980-million available over the next three years to Eskom and municipalities to assist with the implementation of energy efficiency and demand side management (EEDSM) programmes. Replying to a question from Lance Greyling (ID) in the National Assembly, Energy Minister Dipuo Peters said the fiscal allocations would remain as they were for the next three years, after which the electricity tariff funding would start in line with the electricity pricing policy.
