- (1) Whether her department has acted on any of the recommendations of an independent study entitled Policies for Renewable Energy and Energy Efficiency commissioned by her predecessor in 2005 to formulate a model for integrated energy planning; if not, why not; if so,
- (2) whether any progress has been made with the implementation of each of the recommendations; if not, why not; if so, what progress;
- (3) how has implementation with regard to individual recommendations been prioritised;
- (4) whether any targets have been set in line with the recommendations; if not, why not; if so, what are the relevant details? **NW1307E**

Reply

- (1) The Department is not aware of any study entitled Policies for Renewable Energy (RE) and Energy Efficiency (EE) which was commissioned in 2005.

There are elements of the White Paper on RE and EE Strategy that speak to integrated energy planning.

- (2) (3) (4) As indicated above, the Department is not aware if a study with such a title and as such I cannot comment on any of the recommendations from such a document.
