## EXTENTION FOR SUBMISSION OF RESPONSES - REQUEST FOR INFORMATION

### Developing the Biofuels Programme for Blending into Petrol and Diesel

The Request for Information (RFI) on Developing the Biofuels Programme for Blending with Petrol and Diesel was published on the DMRE website on 13 August 2021 and responses were expected no later than 31 August 2021. We have received requests for an extension of the submission date due to the amount of information required to be submitted. Considering the importance of the RFI to the Biofuels Programme you are hereby informed of an extension for submission of responses by **30 September 2021**.
